Board Position: Program Director

Name: Adam McKinski

Email Address: [Adam.McKinski@usaa.com](mailto:Adam.McKinski@usaa.com)

Current Job Title/Description: Information Security Advisor

### Bio Description (Experience:

ISSA/InfoSec/Other organizations): I have been working in the Information Technology and Security industry since 2010 in the Industries of Hospitality, Healthcare, and Government (DoD - Defense & Intelligence). As an extrovert at heart, I have used my qualities as a leader to build moral and bring teams and groups of people together. I am helped build and direct corporate initiatives towards risk and audit compliance, refining departmental policies and procedures.

I am presently serving as an Information Security Advisor for USAA. My primary responsibilities include providing guidance and direction to leadership on technical issues focusing on Information Security and Risk, supporting USAA on development projects, departmental initiatives and other special projects within USAA.

### Statement of Interest:

I am excited to serve all our members a 2<sup>nd</sup> year as program director providing top tier service for all our members! I have been a part of ISSA since 2013 and have been here to serve long before I was ever a board member. I'm here because I have a passion to see people succeed and having the opportunity at bringing people today is a something I really enjoy.

### Goals if elected to position:

Continue to provide top notch venues for member gatherings

Continue to build new relationships and serve our members

Create new opportunities for membership functions specific to networking to include chapter meetings

Promote our ISSA chapter to new sponsors for new and cool networking opportunities

Continue to bring new student membership into our chapter and create partnership opportunities for local universities
